

How to Use R2Agility Tunnel Holders

1. Drape, Shiny Side UP to See Steel Tabs

2. Pull to ground alongside tunnel and roll once into tunnel.

3. Roll up/in over the tabs to lock the material

4. Roll once to cover tabs

5. Tuck against tunnel and screw or nail to the ground

6. Repeat on other side. Roll until ribs show and is snug

Holders available for sale in 4 colors. Contact Robin at r2agility@r2agilityonline.com for information. Visit our website at www.r2agilityonline.com/holders.aspx for more information and videos in action!
