Judge: Jeffrey Ipser

Height Order: Small to Tall

Measurements: A VMO is scheduled to be on site. Measuring starts at 8:30 AM each day.

Walkthroughs: There will be a single walkthrough for each class.

Veterinarian: Hawks Prairie Vet. Hospital 360-459-6556

Moveups: The deadline for moveups is Monday Monday, Sept. 14th at 6PM. Moveups must be received in writing or email by that deadline.

Ring Workers: We are using a white board so people can signup to work for each class. We'll need a Gate Steward, Scribe, Timer, Leash Runner, Chute person (in Std), and several Bar setters. The board will be marked for each class. Put your name on the job(s) you can help with. If you can stay and help build the course for the next class, that would really keep the show running smoothly.

We will REALLY need everybody to help a little. We'll need to staff the rings from the exhibitors, so step in and help where you can !!!!

Lunch: Lunch is scheduled to be available for purchase.

Conflicts: We will do the best we can to accommodate conflicts, but we can't hold the agility rings to wait for people. We have 10 classes per day, many of which are quite small. Please coordinate with the trial persons to figure out how to handle your conflicts.

Set Up: Setup for agility is not until late Sunday night or early Monday morning after the rings are fenced. If you want a special place around the rings for your setups, come and help set the rings and equipment and you will get top priority. Plan on bringing shade/rain gear ☺

We will be doing some setup on Sunday night, but the majority will be done Monday morning. If you can come early (7:00 ish) and help, that would be greatly appreciated ! We hope to have the rings set and the first course built by 8:30 for the official walkthrough.
