

Evergreen Belgian Terv Club
Running Order and Class Information Feb 26-28, 2021

Fun Fur Paws – Mt. Vernon, WA

I-5 North/South: Take Exit #218 (Starbird Rd) and East (Southbound turn left, Northbound turn right). Continue East to the 4-way stop at Bulson Rd and turn left. Follow Bulson Rd. to the intersection with Tyee Rd (0.7 mi). Turn left and then after a short distance, turn right onto Stargate Place (look for the sign for Fun Fur Paws). Follow the road to the arena and parking.

Judge: **Christian Eckhoff**

NOTE: Due to the small entry numbers, we have moved to one judge. Christian Eckhoff will be judging all classes. AKC has waived the 2-judge requirement for getting a title, so this change won't affect that. However, you are entitled to a refund of classes that would have been judged by Jill Crawford

Class Schedule: **See charts below: Start 9:00 AM Friday and 8:00 AM on weekend. We have changed the class order slightly due to the single judge. See the charts for details.**

We DO apologize for the change in schedule and realize that it might not be the best for everybody, but we are trying to do the best for the majority of exhibitors. Hopefully, when COVID is gone, we can go back to “normal” sized shows !!

Opening/Closing: **Opened 1/22/21, closed 2/19/21**

Walkthroughs: There may be split walkthroughs for **Exc Std and Jww**. All other classes will be a combined walkthrough. There will be plenty of walkthrough time for each class, so do not worry. ☺
We may need to combine or alter walkthrus slightly due to COVID (like a walk/walk-run/run).

Veterinarian: 24 Hour Pet Emergency Center, 14434 Avon Allen Rd., Mt. Vernon, WA 360-848-5911
Chuckanut Valley Veterinarian (staffed 24/7), 896 N. Burlington Rd., Burlington, WA 360-757-3722

Moveups: The deadline for moveups is Feb. 22 at 6PM. Moveups must be received in writing or email by that deadline. Day-to-Day moveups are being accepted for Saturday and Sunday.

Setup and crating: **There is NO general crating allowed in the building. Due to the COVID limits on number of participants in the building at a time, we need the capacity to handle simultaneous walkthroughs.**

Popup tents and crating is available along the West fence and North grass areas. If you are crating from your car, make sure to leave windows/doors open for air flow. If using a popup or crate on the grass, please do NOT use mats or leave items overnight.

RVs: Overnight RV camping is limited and must be reserved. Email jfmarquardt@frontier.com with questions.

Food: Due to the required COVID restrictions by the state, we will NOT be providing any food, snacks or refreshments at the show. Please bring your own provisions ☺

Workers: Even given all the new “rules” and capacity limits, we STILL need your help putting on the show. If you can help out for a class – or a day – let us know. We will have a chief worker person coordinating thing and likely have the white boards setup like usual. THANKS!

Measuring: A volunteer measuring official will be on site but measuring during these COVID times is different. If your dog can be left at the table with you at least 6' away (safely!) and measured by a man in a mask, then we can potentially do the measure. Check with the score table for more info.

Important Housekeeping Info

Please use the exercise fields or the grassy areas around the parking lot to walk your dog. The fenced agility fields are off limits. Please pick up after your dog. If your dog accidentally relieves itself on the building structure, please use the cleaning sprays provided by Fun Fur Paws.

5 MPH Speed Limit at Fun Fur Paws

COVID Specific Information

Masks must be worn at all times in the building

COVID Check-in: All persons at the event MUST check in each day with the Covid desk. You will be asked a set of COVID related questions (are you sick, have you been exposed, etc.). You may also have your temp checked with a non-contact thermometer. After check-in you will be given a wrist band – new one each day.

You will not be allowed in the building without a wrist band.

Access Inside: To comply with the State's COVID rules, we are restricting access inside the building. We will be limiting running orders as needed to keep under the capacity limits.

You may have someone come in and video your runs or otherwise help you during your run.

The state is prohibiting vendors, guests, and spectators at these events.

Building Flow: We are attempting to limit contact inside the building between participants. To do that, we are going to set up a “flow” of people entering and exiting the building for their runs. Basically, we are setting up a door to enter the building for each ring, and a door to exit. We will mark the paths accordingly.

The Exc/Prem ring may enter/exit the building from the same set of doors on the east middle of the building. There is a man-door on the west side, but that is where the course builders and other staff will be working and staging. If possible, we would like exhibitors to NOT use that west door. We will have the center aisle established to facilitate flow for the Exc/Prem ring.

The area around the trial sec (ramp and upper platform) are off limits to the public.

The following picture shows the door locations, parking, crating/popups outside, and other info.

Course Maps: We will not be providing general paper copies of course maps. Maps will be made available on our website - r2agility.net (and will be available on the local WiFi system as well) sometime after 6PM the previous night. If you need a paper copy, please print one at home.

Leashes: We are planning on a leash runner, but AKC rules now allow you to put your leash in your pocket, or tie around your waist while you run. This allows only YOU to handle your leash. NOTE: if your dog grabs/tugs on the leash while running, the judge will signal an 'E'. ☹️

Gate Check-in: We will have a normal gate steward with a paper gate sheet but will also be using a new electronic gate checking and monitoring system available by any internet or Wi-Fi enabled device with a web browser.

The new system allows you to check-in, mark conflict or absent, see progress, and live scores as they are entered into the computer. Please check the status to make sure your runs are correct.

Maps will also be available on the same page (internet or local) sometime after 6PM.

<p>Via Internet – Open a browser and go to www.r2agility.net</p>	<p>Via Wi-Fi: Turn on Wi-Fi. Select one of the following: R2Net (local router) – no password needed R2Gate (extended Wi-Fi mesh) – pswd: r2agility1 Open a browser and go to 192.168.0.7 The local Wi-Fi does NOT have an internet connection</p>
	

Most devices have a QR scanner (like QR Droid for Android devices) that will automatically scan the code and open the browser to that address. Saves typing ☺

Results: Results will be posted outside the building and will be available on the same web page as the running order. We will also post results to the website as they are generated throughout the day so you can get them remotely.

COVID Waiver: **Due to the nature of our current COVID environment, a waiver will be required to be signed by all persons at the facility. Those with minors, please sign a waiver for your child.**

While we are doing all that we can to provide the best environment possible to hold agility events at FFP, we understand that COVID is an infectious disease and outside our control. The following waiver is designed to hold FFP, the club, and trial staff harmless for events related to the COVID pandemic.

Please read the attached waiver, sign, and bring with you to the show. You can give the waiver to the person handling the COVID check-in procedure.

Facility Use and People "flow" thru the building.

Opn/Nov ring will enter one of the south doors and exit the other.

Std/Prm ring will enter/exit from the east and north doors depending on the ring layout. The entrance/exit for that ring is on the long side thru the small ring gates. The Jww/Fast ring will enter/exit thru the south/west doors depending on the ring layout. We are NOT using the west door near the equipment trailer.

Popups and crates can be along the west fence and north grass, but NO Mats or anything left overnight. We don't want to kill the grass.

The Kitchen door may be open for access to the sink for hand washing.
