### **IMPORTANT NOTE ABOUT FAST!!!!!!**

As of 1/1/17, AKC is allowing all 3 FAST classes to be built into a single course. That means 12 weave poles for Novice, and all 3 sends can be combined into a course – or the sends can be identified by different tapes for each level.

We will be building a single course and then briefing and walking ALL classes together. Each class level send will be marked, probably with a unique tape color. We will then run Exc/Mas, Open, and then Novice with slight breaks between to reset jumps and possibly pull unneeded send line tapes.

# Crating / Parking Information

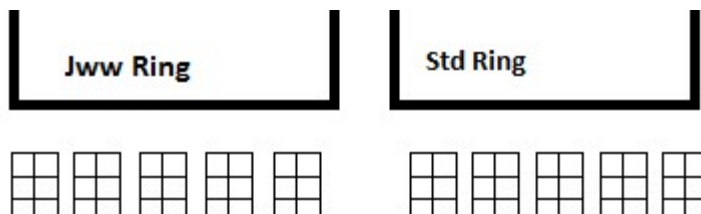

## Car Parking:

If you are parking in the area indicated on this diagram – basically anywhere near the Arena, you may not also have a crate inside. This area is reserved for ONLY those people that want to crate out of their cars. Also make sure to not run your car's engine excessively as that puts exhaust fumes in the car next to yours and gasses out those dogs !!!

## Crating Inside:

If you are crating in the arena, please use the following crating layout instead of just putting crates up against the walls. No expens. Here is a simple picture.

**Crating in rows as shown. This lets us get more people into the area than if we just go up against the wall. Please put your chairs along the rings.**
