COVID Information

- Masks: The latest rules from Argus Ranch are that masks are NOT required outdoors or in the competition arena where there is good air flow. If you are non-vaccinated please consider a mask in crowded spaces and groups.
- **COVID Check-in:** There is no daily COVID check-in at this show. You will need to either bring a paper copy of the Argus Ranch waiver or sign one electronically per Argus Ranch rules.
- **Building Flow:** This diagram shows how the rings are laid out. Most of the doors on the East side of the building will be open. The center aisle between the rings is for equipment, staff and judges. Ribbons and results will be on tables near the aisle entrance.

- **Course Maps:** We will not be providing general paper copies of course maps. Maps will be made available on our website sometime after 6PM the previous night. If you need a paper copy, please print one at home.
- **Results:** Results will be posted outside the building and will be available on the same web page as the running order. We will also have a TV monitor with the latest scores from each ring as they are entered into the computer.
- COVID Waiver: Argus Ranch is requiring that a waiver be signed by all persons at the facility. Those with minors, please sign a waiver for your child.

Please read the attached waiver, sign, and bring with you to the show. You can give the waiver to the person handling the COVID check-in procedure.

Before the show, all listed handlers will receive a web link to allow for electronic signing of the Argus waiver. That web page also allows you to "invite" others (spouses, kids, etc) to electronically sign. Simply add their name and email address and click the button. They will receive a unique email link to follow and sign the form.

Argus Ranch may have additional restrictions or rules. Please see <u>www.argusranch.com</u> for additional info.

Gate Check-in: We will have a normal gate steward with a paper gate sheet and will also be using an electronic gate checking and monitoring system available by any internet or wifi enabled device with a web browser.

The new system allows you to check-in, mark conflict or absent, see progress, and live scores as they are entered into the computer. Please check the status to make sure your runs are correct.

Maps will also be available on the same page (internet or local) sometime after 6PM.

Via Internet – Open a browser and go to	Via WiFi: Turn on WiFi. Select one of the following:
www.r2agility.net	R2Net (local router) – no password needed R2Gate (extended WiFi mesh) – pswd: r2agility1
	Open a browser and go to 192.168.1.7
	The local WiFi does NOT have an internet connection

Both r2agility.net and the local 192.168.1.7 web addresses will allow you to check-in, conflict or mark absent. As scores are added to the computer, the run results will also show up on the right hand side. This allows you to keep track of the progress of the rings.
